

AFRIKA KOMMT! 2021-2023

An Initiative of German Industry for Future Leaders from Africa

Candidate Profile

Company:	SAP	
Education:	Bachelor's or master's degree in Business Administration, Computer Science or related fields.	
Professional Experience:	<ul style="list-style-type: none"> • Experience in (Software) Product Management and/or Strategy and/or Product Marketing and/or Business Consulting 	
Additional Qualifications:	<ul style="list-style-type: none"> • Fluent in English (written and spoken) • Strategic thinking • Creativity and curiosity • Self-starter, self-driven and solution-oriented • Team player • Strong communication and presentation skills 	
Division / Department, Place:	<p>Customer Innovation & Maintenance (CIM) counts 3,500 employees and delivers value to customers to shape the future. Delivering fast innovations in both installed base products and tailored extensions, CIM safeguards and extends SAP's core solutions by combining development, project execution, maintenance and cloud operations, serving the end-to-end value chain. As the newly formed Products & Solutions team we are responsible for defining and managing the entire CIM product lifecycle, from product strategy and definition, to product roll-out, enablement and field support. We manage more than 250 products with dedicated product owners/managers and continue to launch new products on a frequent basis.</p>	
Assignment / Area of Activity:	<p>You will be at the center of the action in which you will have the possibility to work together with a multi-disciplinary and multi-cultural team that sets the product strategy and turns vision into products and solutions that customers want. You will gain a deep understanding of product management work and processes. Concrete opportunities and tasks for this role include:</p> <ul style="list-style-type: none"> • Analyzing and improving product management roll-in and/or roll-out processes. • Supporting dedicated product managers to further drive their corresponding products • Supporting customer engagements and consortiums to co-innovate with customers • Support product marketing activities such as creating marketing collaterals, demos, info sheets • Support senior management in all aspects of the business 	
Remarks:	<p>There will be a huge opportunity to bring in your own viewpoints, ideas and innovative thinking in order to maximize the value we can create as a group. The actual task on this assignment can be finetuned to best fit the candidate's profile and interests.</p>	
Preferred Nationality:	South Africa, Kenya, Morocco, Nigeria, Ghana
