

Making More Health

## AFRIKA KOMMT! 2022-2024

An Initiative of German Industry for Future Leaders from Africa

### Candidate Profile: *Making More Health*

<p>Company:</p>	<p><b>Boehringer Ingelheim</b></p>	
<p><b>Education:</b></p>	<p>Our ideal candidate has a proven track record in social entrepreneurship and successfully translated ideas into tangible business models. An university degree is required - we are quite open regarding the field, though. Education could be in business administration, economics, social sciences – but is not limited to this.</p>	
<p><b>Professional Experience:</b></p>	<p>We are looking for a social entrepreneur/social intrapreneur who has been part of creating innovative business models in areas like human and animal health, hygiene, agriculture, energy, food, environment, water, safety etc. You have not only created value for your community but also successfully interacted with large organizations (e.g. companies, banks, government agencies) in the process.</p>	
<p><b>Additional Qualifications:</b></p>	<ul style="list-style-type: none"> <li>• Ability to communicate and sell ideas by proficiently using communication and marketing methodology</li> <li>• A true generalist mindset feeling comfortable taking on all aspects of a social entrepreneurship project</li> <li>• Strategic thinking skills enable you to solve problems of a complex, multilayered issues (e.g. social/business conflicts)</li> <li>• Fluency in English</li> <li>• Project management training and / or experience is an asset</li> <li>• Openness, networking and interpersonal skills are assets</li> </ul>	
<p><b>Division / Department, Place:</b></p>	<p>Making More Health (Team within Corporate Strategy &amp; Consulting)  “Making More Health” (MMH) is a long-term global partnership between Boehringer Ingelheim and the NGO Ashoka. MMH helps vulnerable communities attain a higher quality of life across the dimensions of health, economic development, infrastructure, education and culture. MMH builds on three interlinked pillars:</p> <p><b>Social innovation</b>  Identify &amp; support a global community of health innovators/Social Entrepreneurs</p> <p><b>Change Maker Culture</b>  Inspire people &amp; build new skills by engaging in partnerships in the social communities</p> <p><b>Cross Sector Co-creation</b>  Foster “win-win” collaboration across the social &amp; business sectors</p>	

	MMH bridges the gap between the social and the business world, which leads to more innovation and more impact. The geographical focus areas of MMH are Sub-Saharan Africa & India
<b>Assignment / Area of Activity:</b>	<ul style="list-style-type: none"> <li>• You will be developing, managing and coordinating social entrepreneurship projects with stakeholders both in Germany and Africa (and potentially other areas of the world).</li> <li>• You will be supporting our global MMH team with their project work and project management as well as communication activities.</li> <li>• You can take your social entrepreneurship to the next level, benefitting from a highly experienced social entrepreneurship environment.</li> </ul>
<b>Remarks:</b>	
<b>Preferred Nationality:</b>	All nationalities are welcome – Kenya is a focus area of the Making More Health projects, though.
