

AFRIKA KOMMT! 2026-2028

An Initiative of German Industry for Future Leaders from Africa

Overall remarks: AFRIKA KOMMT! is a [fellowship position](#) in Germany in which, alongside making meaningful contributions, the primary focus is on your professional development and learning.

Fellowship Profile:

Fellow as Project Manager – More Health (m/f/d)

Company: ID: AK15_BI_08	Boehringer Ingelheim Corporate Center GmbH / More Health		 Boehringer Ingelheim
Education:	An advanced university degree (Master) is a must, preferably in health policy, global health, business administration, economics, natural sciences or a sustainable development related field.		
Professional Experience:	<p>Compulsory: Our ideal candidate has strong project management skills and can demonstrate experience or strong exposure to projects aimed at improving healthcare access or health system strengthening in underserved communities. Knowledge of global health policy challenges would be beneficial as well as experience in translating national health policy priorities into sustainable healthcare solutions.</p> <p>Desirable: Ideally they can demonstrate how they have created value for their local community while also engaging with large organizations in the process (e.g. corporations, foundations, NGOs, Healthcare and Government Agencies).</p>		
Maximum years' experience needed:	Graduate / work experience 2 – 5y	Or other:	<input type="checkbox"/>
Additional Qualifications	<p>Compulsory:</p> <ul style="list-style-type: none"> • A good understanding of health policy and/or creating healthcare access solutions which speak to health policy priorities • Excellent communication skills, including negotiation and conflict management • Fluency in English • Strong project management skills 		
Country Focus:	Kenya, Ghana, Rwanda, but other Sub-Saharan countries will also add value.		
Division / Location / Department:	More Health, Ingelheim/Germany. We work internally with teams including Social Engagement, Making More Health, and Public & Government Affairs. Externally we engage with government and non-governmental organisations (eg WHO, NCD Alliance), foundations (eg Gates Foundation), social start-ups in sub saharan Africa and other local partners.		
Planned Tasks & Activities:	You will be helping to create a new 'Global Health' approach at Boehringer Ingelheim with a particular focus on how we can improve access to healthcare in Sub-Saharan Africa. You will also support and drive activities of the Global More Health team and work with our partners at the global and local level to create sustainable change and long term improvements in healthcare.		
Remarks:
